Testimonials

Following a competitive tender process in 2023 and a subsequent retender in 2024, Champers Wholesale Ltd have successfully served our business (incorporating Caprice Holdings, the Ivy Collection, the Birley Clubs and Bills Restaurants) with a full category range of spirits, minerals, softs, beers and branded champagne. We have experienced excellent service from the team at Champers – they have excelled at stock availability across a wide range of SKUs, product range development and logistical flexibility as our business expanded across the UK and during the recent lockdowns/re-openings. In our experience, Champers are a valued supply partner to our business.

Paul Jenkins - Purchasing Director
CAPRICE HOLDINGS

We rarely have to worry about stock gaps since working with Champers. Their availability on key lines has been stellar, and they're straightforward about upcoming promotions so we can plan ahead. Overall, their processes — from order placement to final delivery — feel well-organised and efficient, which frees us up to focus on our guests rather than chasing supplies.

Ketan Mandalia - Director
BLUE GINGER BAR RESTAURANT

Champers has made things run a lot smoother for us. I get clear delivery updates, no surprises, and if there's ever a delay, someone actually lets us know. It's not just about dropping off boxes; they pay attention, and that kind of service goes a long way when you're running a busy venue.

HAPUṢĀ

HIMALAYAN DRY GIN

BOTANICALS

This gin is made with **Juniper** from the **Himalayas** along with **Coriander Seeds, Turmeric, Ginger, Gondhoraj, Cardamom, Mango** and **Almond**, all sourced from across the diverse terroirs of India.

TASTING

Hapusa is a **sipping Gin** best appreciated straight from the freezer. Expect **pine forests** and **wildflowers** on the nose with a bold **earthiness** on the palate and a long, delicately **spiced**, finish.

SERVING

A perfect **Hapusa Gin & Tonic** is garnished with a **wedge of orange**, squeezed and dropped into the glass. The distillers also recommend using Hapusa in spirit-forward, stirred cocktails like the **Negroni** and **Martini**.

THE LIQUEUR WITH TWO FACES

*Soft as velvet, light, cool – but also
sweet, powerful, and distinct.*
